DATA SHEET

Target Areas:

Hip, Buttocks, Lower Back.

This is a great exercise for the hips and buttocks facilitating the movement known as Swim Kicks. The exerciser is gently put through alternate prone hip extensions, this will also provide a gentle lower back exercise. Perform this exercise whilst squeezing buttocks together, lie on stomach and support head on crossed arm

Features Include:

Dual function of both upper & lower extremity
Power assisted (plug and play installation)
Standard 4.3" touch screen console unit with manual and programme options

Available in a wide range of colours
